THIRD YEAR DESIGN & MARKETING STUDENT @ VICTORIA UNIVERSITY

## WORK EXPERIENCE

### GRAND TRAINING / JUL 20 - PRESENT

Programming Tutor: Teaching computer science to kids  
Coding languages that I teach are python, javascript & scratch. This gives me experience to work with a younger demographic.

### IGNITE CONSULTANT / AUG 20 - OCT 20

UI / UX Design: Designing a fresh website for Wellington Rape Crisis

### TAWA CENTRAL DAIRY / DEC 18 - JUL 20

Cash Register Attendant: Work casual hours to help the family business. Main roles include attending to the cash register and to stock inventory items when goods are running out.

Duties include:

- Greeting customers and offer them quality service
- Perform cash register operations by cash and EFTPOS
- Generate top-ups for cell phones and calling cards
- Assisting customers by providing information
- Other related duties as assigned by the owner
